COMMUNICATION

Sir:

Pursuant to the COMMUNICATION faxed to the USPTO on March 31, 2005, it has been noted that the two U.S. patents do not seem to be listed in their entirety electronically for consideration in the electronic image file wrapper. It was believed that, in accordance with the new rules, copies of U.S. patents did not need to be supplied in accordance with OG Notice of August 5, 2003. Hence, only the first pages of said patents were faxed on March 31, 2005. Since it appears that, in order to be considered, the entire copies of the U.S. Patents need to be supplied, enclosed herewith are the entire copies of U.S. Patent Nos. 5,438,403 and 5,307,113, to be considered as part of the Information Disclosure Statement which was filed on August 31, 2004.

We await an initialed copy of the Information Disclosure Statement Form PTO-1449 which was filed on August 31, 2004 showing that the Examiner has considered the documents cited therein. The Examiner is requested to initial next to the citation of references AM on the August 31, 2005 IDS PTO-1449 Form, sign the form and return a copy of same to the undersigned.

In the alternative, if it is needed to correct this matter, please issue a Supplemental Notice of Allowance.

The Commissioner is authorized to credit any overpayment or charge any additional fee required under 37 CFR § 1.17 for this Information Disclosure Statement to Deposit Account No. 19-3935.

Serial No.: 09/986,913

If there are any questions regarding this Communication, such questions can be addressed to the undersigned by telephone.

Respectfully submitted,
